Funding received for the program for FY2024: \$56,818.23

The Warren City Schools Federal Programs serves approximately 4,700 students in the public and non-public schools program.

The program is evaluated annually with the results used to plan the next school year program.

Parents have the opportunity to share with the schools the responsibility of helping their child achieve to their potential in school through completing a Parent-School-Compact annually.

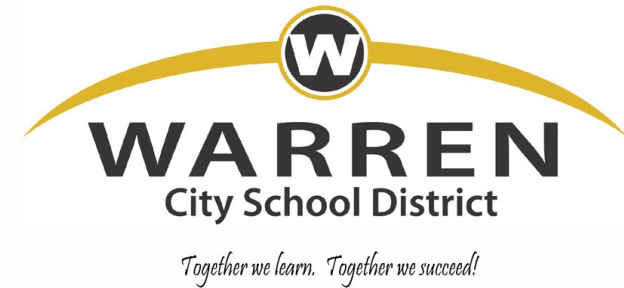

Parents are also provided the opportunity in the fall to request information about the qualifications of the teachers working with their child.

Questions or input regarding Title I services are welcome. Parents can provide input in person by attending the annual Title I Program meeting conducted at the building/district or can contact:

September 2023

ESSA Every Student Succeeds Act

TITLE I PROGRAM

2023-2024 SCHOOL YEAR

The Elementary and Secondary Education Act (ESEA) Title I became law on April 11, 1965. Since this time the law has been amended four times: In 1988, 1995, 2001, and most recently by the Every Student Succeeds Act (ESSA) of 2015.

SCHOOLS are eligible for Title I services if 35% or more of the students are on free/reduced lunch (Public Law 103-382). Schools are eligible for ***schoolwide*** projects if 40% or more students are on free/reduced lunch.

STUDENTS become eligible to receive Title I supplemental reading and/or math instruction using a multi-criteria selection system. This system includes: Diagnostic tests, achievement tests, standardized tests and classroom teacher evaluation. In Title I ***target-assisted*** schools, service is provided to students in order of need. In Title I ***schoolwide*** project buildings, all students are eligible for services.

NOTE: All buildings in Warren City Schools are identified under Title I as Schoolwide Programs.

Warren City Schools provides the following services with the Federal Title I funds received:

- Reading Support Teachers provide supplemental targeted intervention to students in the primary & upper elementary grades at each PK-8 school.
 - Supplemental grade 9 Literacy and Math skills classes at Harding High School provide content and skills support for at-risk freshman students and Freshman Advisory classes support the transition of grade 9 students to high school.
 - Credit Recovery blended-learning course opportunities and dedicated staff at Harding High School support students in need of course recovery.
 - Social worker services provide intervention and support to middle and high school students identified at-risk or potentially at-risk of not graduating.
 - Staff development activities utilize Literacy and Mathematics coaches & Curriculum Liaisons to provide classroom support for the implementation of instructional frameworks. Teachers participate in professional development throughout the school year, discussing instructional practices and observing model classrooms.
-

Intervention:

- After school and summer intervention programs are provided during the year in all buildings.

Summer Transition Programs

- Jump Start into Kindergarten (PK-8 buildings)
- Freshman Academy (WGH)

Preschool Program:

Title I supplements state and local funding to support 11 preschool classrooms across the district, including preschool teachers, instructional assistants, a district preschool coordinator and liaison, and related programming needs, including behavioral interventionist services.

Kindergarten-Grade 2:

One K-2 instructional assistant at each PK-8 school.

Family Events:

Programs and events take place throughout the school year at each building and include home extension activities and resources to help families support student learning.
