Identification

When the screening assessment has been completed, if the data obtained is from an approved identification instrument and the score meets cut-off scores specified in department of education guidance, the identification decision is made and student's educational needs are determined. Identification scores remain in effect for the remainder of the student's K-12 school experience.

Transfer

Warren City Schools ensures that any child transferring into the district will be assessed within 90 days of the transfer at the request of the parent. Parents shall contact the building principal.

- The scheduling of children for assessment;
