We are so excited to meet your kiddo!

We appreciate your patience as things will change throughout the school year!

- We will spend time learning classroom procedures and how to be safe at school!
- Expect delays with busses and the carpool line during the first few weeks of school.
- Please label reusable masks. Mask lanyards are great (Amazon has many options)
- We know you may be disappointed in not being able to walk in the first day with your child. Don't worry-they will be loved, taken care of, and pictures will be taken!
