

# LINCOLN PK-8 NEWSLETTER

**Welcome to the start of the 2024-2025 School Year!** We are excited to be back in school, have high expectations for our students, and look forward to a great year! As the year unfolds, if you ever have a question or concern, please call your child's teacher first. Although teachers are unable to answer phone calls during the school day, calls will be returned to you, so please leave a detailed voicemail. Our school phone number is **330-373-4500**.

Good communication between the school and the home is essential for your child's academic success and safety. Our theme this school year is:

## **LINCOLN CHAMPions**

***Every child deserves to have a CHAMPion in their corner!***

### **Parents as Partners:**

- ⇒ Have your child in school every day.
- ⇒ Check your child's folder daily for homework, notes, and behavior.
- ⇒ Talk to your child about adhering to expectations in school.
- ⇒ Set a time for going to bed to help your child get plenty of rest.

## **FINAL FORMS**

Please remember that each page inside your child/ren's Final Forms must be completed, along with the final step of you electronically signing it by

Friday, September 6, 2024. If you need help or have questions, please call and one of our secretaries can walk you through the process.

### **Immunizations:**

All students in **Preschool, Kindergarten, and 7th grade** must have updated shot records at school.

Any student missing shots will be excluded from school beginning Monday, September 9, 2024.

### **Device Distribution:**

Device distribution will start after Labor Day. For K-5 students, parents will need to schedule times to individually come in and receive devices. For Gr. 6-8 students, parents may sign the device release form in Final Forms for devices to go home with students.

Please note that students that owe an obligation for not returning a device(s) or who returned a damaged device and have not yet fulfilled that payment obligation are not eligible to receive a device. This must be cleared prior to a new device being given.

More information will be coming.

### **Open House**

Thank you to everyone that came out to Open House on 8/29/2024! It was wonderful to see our students excited to share their daily routines with their families. Thank you for participating!

Be sure to monitor Remind messages, your email, and the building website for the most up to date information.

### **Picking Your Child Up From School**

Dismissal is a busy time in our building. To keep every student safe during dismissal, we must adhere to the following Lincoln guidelines:

- If you are picking up your child early, you must be in the office **by 2:30; otherwise, your child will be dismissed their usual way.**
- Only individuals listed in a child's Final Forms are permitted to pick up that child. Anyone picking up a child needs to be prepared to show photo ID.
- All **car riders should be picked up in the back of the building. Dismissal is 3:00-3:15 for K-5 students.** The front and sides of the building are for **buses and daycare only.** Students **may not be picked up from the bus lines.**
- If you need to change the way your child gets home, please send a **written note** in with your child, and be as specific as possible to prevent confusion.

Thanks for your understanding. We all want our children to be safe!
