

## *McGuffey School's Celebration of the Arts 2023*

Please join us at McGuffey PK-8 School on Wednesday, May 10th for some hands-on fun that celebrates the arts. We have several music, art, craft activities and photo ops planned for our families, including a free picnic dinner.

The hands-on activities and dinner will take place from 4:00-5:30pm. At 6:00pm all guests are invited to join us in our gymnasium for the 6th, 7th and 8th grade Band & Choir Concert.

Families must RSVP for this event. When you arrive, you will receive tickets for each activity and the dinner. All children must be accompanied by an adult at all times. You may RSVP either by responding to this email ([cynthia.mccoy@neomin.org](mailto:cynthia.mccoy@neomin.org)) or by calling one of the secretaries at the school (330-675-6980). RSVPs must be received before Monday, May 8th at noon.

*We hope you can join us for this fun family event at McGuffey PK-8 School.*
