College Credit Plus (CCP) Informational Meeting

There will be a meeting for families of students in grades 6-8 who are interested in hearing about the College Credit Plus program offered at Warren G. Harding High School.

This meeting will be held on November 29, 2023, beginning at 5:30pm in the Warren G. Harding Library.

You will hear a *Review of the Rules and Offerings of CCP* and there will be representatives from Kent State University, Youngstown State University, and Eastern Gateway Community College.

While this informational meeting is open to all middle school families, it is highly encouraged for families of students who will be able to take CCP classes in the 2024-2025 school year.

If you have questions about this informational meeting, please call Warren G. Harding High School at 330-841-2316.
