

Winter Wonderland Event

Support the

McGuffey Drama Club

Dessert Walk Game

Tickets are \$1.00 per person

How to Play the Desert Walk Game:

Players stand on one of the floor numbers while waiting for all to take a place and wait for the game to begin. When the holiday music plays, the participants walk around the circle in one direction on the floor numbers.

When the music stops, so do the players who all make sure they are standing on a number. A drama club volunteer then draws out a number from the bucket to see who wins!

The carnival player whose number is drawn wins a desert of their choice. We will place your name on it if you like and you can pick it up at the end of the Winter Wonderland event. All other players receive a sticker.
