

McGuffey PK-8 Sticks Together Against Bullying!

During the last week of February, McGuffey K-8 students will be participating in our school-wide Anti-Bullying Campaign: 'Be Kind, Stick Together', sponsored by Duck Brand.

Select McGuffey students will be trained to present an anti-bullying lesson and activity in the classrooms. Students will learn the importance of kindness and sticking together against those who are being unkind. Students will pledge to join together by writing their names on tape and sticking it on an anti-bullying banner for the entire McGuffey PK-8 School to see!
