

McGuffey School

United Way Donations 2024

This year, McGuffey School will be collecting money for the United Way of Trumbull County from **March 11th to March 15th**. Here is how our McGuffey School students can participate:

K-2 Pod

Students will be collecting money in each classroom. The classroom in each grade with the highest amount collected will earn extra recess! The class in the K-2 Pod that collects the most money out of all classrooms will also win a donut party.

3-5 Pod

Students will be collecting money in each classroom. The classroom in each grade with the highest amount collected will earn a fun incentive that the students will enjoy!

6-8 Pod

Students will be collecting dimes in the classrooms. The classroom that has the most dimes collected during the week will win a reward.

There will also be Penny Wars in the cafeteria. Penny Wars is where all pennies are counted in your favor and any other coins are counted against you! Students will be able to put pennies in their own grade level bucket to earn points and put different coins in other grade level buckets so they count against the other grade. The grade level that has the highest totals after all of the pennies are counted and the other coins are subtracted from them will win!

The 6-8 classes will also have Bubble Gum sales in math class. Bubble gum is 25 cents each piece.

Whole School

During this week, we will have Ice Cream Sales every day after students finish their lunch.
