During the past few years, the regular amount we charged for 1 40-minute class was \$5.83 (Now to be \$5.75) & the discounted amount was \$5.00. Moving forward we are not looking to increase that amount. Although you will not be able to register for a single class in the group lessons, some of the sessions may offer 5, 6, or 8 classes (CL) based on the school calendar for that year. (See above.)

3 WAYS YOU ARE ABLE TO SAVE

- The **"Early Bird" Discount** will save you from \$3.75 to \$6.00 per child per session depending on the number of classes offered that session. It is almost like getting 1 lesson for free!
- NEW - We are offering a "Multi-Child" Discount.** Since about 25% of our families have more than 1 child who is eligible to learn to swim in our program, we are offering a 10% discount for the second child & each additional child that is registered. (All children must be members of the same immediate family, reside at the same residence & registration & payment for all the children in that family must occur at the same time during that "season"* to receive this discount. If you add an additional session or another child at a later time, it will be at the regular fee. (*Our 3 season groups: fall-winter, spring & summer)
- In addition to the "Early Bird" and "Multi-Child" discounts because we believe in the benefits of on-going lessons, we are offering a **"7-Session" Discount***. You will **SAVE AN ADDITIONAL \$10 PER CHILD, if you register & pay for all 7 sessions by August 30th.** (You cost is about \$4.75 per individual class.)
 - Mon&Wed: 44 classes Reg \$253.00 EB \$220.00 7 session \$210.00 Save \$43.00
 - Tue&Thu: 46 classes Reg \$264.50 EB \$230.00 7 session \$220.00 Save \$44.50

*Provided that there are 7 sessions available at the selected swim level for your child. Good reason to register early.

10% Second & each additional child discounts

5-class session: \$28.75 for \$25.88	5-class session: \$25.00 for \$22.50	MW (44 classes) \$253 for \$189.00
