

Parents/Guardians:

The Warren City School District adopted CPM a math curriculum for grades 6 through Algebra II and Geometry. As part of the adoption, students are able to access the textbook electronically. Please note that users who are under 13 years old, require that the user's parent or legal guardian are to be responsible for accepting and complying with the Terms of Use.

If you have questions or concerns regarding the aforementioned, please contact Regina Teutsch, Executive Director of Curriculum and Instruction.
