

Blanket Authorization Form

**THIS FORM IS DESIGNED TO AUTHORIZE YOUR STUDENT TO PARTICIPATE IN ALL FIELD TRIPS THAT OCCUR DURING THE SCHOOL YEAR.**

During the course of the upcoming school year, your student may have the opportunity to participate in learning experiences of educational value that take place off the grounds of the Warren City Schools. Often these field trips will include transportation to the field trip location. By signing this form, you are permitting your student to participate in all field trips that occur during the school year, including transportation.

With each individual trip, a field trip notification form will be sent home with your student. If, despite signing this form, you do not wish your student to attend that particular trip, you must contact the Principal, in writing, prior to the trip, and let him or her know that your student is not permitted to participate in that particular trip.

During all field trips, the emergency contact information and emergency medical authorizations you have signed will continue to apply. Additionally, all provisions of the Student Code of Conduct, and all other school policies remain in effect during the trip.

\_\_\_\_\_ (Student's Name) is permitted to participate in all field trips during the course of the \_\_\_\_\_ school year, including transportation. This permission applies to each and every trip that may take place during the entire \_\_\_\_\_ school year, unless I inform the Principal in writing that my student does not have permission to participate in a particular trip.
